Northeast Ohio’s original and longest running home and garden show will celebrate its 67<sup>th</sup> year at the new 215,000-square-foot convention center in Euclid, Ohio. **The Great Lakes Expo Center** is the new, permanent home for acres of fragrant, blooming gardens, expert horticulture advice and interior design ideas. In another exciting modification, the Cleveland Home & Garden Show *presented by the community hospitals of Cleveland Clinic* has been extended to a 10-day run. With **FREE** parking and the lowest admission price in the event’s history, the Show is an exceptional value.

This year’s “**Wonderful Germany**” tribute will serve as the inspiration for the Show’s vibrant displays and landscaping themes. A fresh crop of certified landscape professionals from across Northeast Ohio will debut nine sophisticated garden designs for the popular **Ohio Landscape Association Celebrity Garden Competition**.

The Show has selected the talented Landscape Horticulture students from **Auburn Career Center** in Concord Township, Ohio, to install this year’s **Entry Feature Garden**. With guidance from Josh Tooker, ASLA from The Pattie Group, guests will enter the garden and cross a rugged bridge styled after German influences. The charming walkway gently arches over a natural stone waterfall and two serene ponds. Guests will instantly note the stunning bursts of color provided by the brilliant and hardy Proven Winners™ flowers surrounding the entire landscape.

Adjacent to the Entry Feature Garden, the **Oktoberfest Dining Hall** will celebrate the culture and traditions of Northeast Ohio’s influential German-American population. The festive gathering place will offer **Bavarian entertainment** and performance groups as well as a smorgasbord of authentic German cuisine prepared daily by **Executive Caterers**.

Various gardening seminars, interior design advice and cooking demonstrations are scheduled to provide a wealth of applicable ideas to take home. The renowned horticultural leaders from **Cleveland Botanical Garden** will host an intimate “**Ask The Experts**” **gardening stage**. Professional interior design inspirations abound at the **Home Idea**

-more-

**Center** with 13 different “designer rooms” and a wealth of wow-factor tactics in the Sherwin-Williams **Paint, Wallpaper & Decorating Expo**, including six “designer walls” and an **Interior Design Stage**. The **National Association of The Remodeling Industry (NARI)** offers a one-stop resource center for guests planning a remodel or home improvement project, including daily lectures and demonstrations.

In addition to education and inspiration, a variety of vendors will offer the latest trends in home and garden merchandise. Plus, local artisans will share their handmade crafts and jewelry within the **Great Lakes Arts & Crafts Festival**.
